Remember summer camp?

It may have been scout camp, music camp,

Wasn't it the best?!

Have you ever had richer camaraderie?

I mean.....wasn't it flat out FUN?!

Why should kids have all this physically challenging,  
authentic social bonding emprise brought through  
an outdoor experiential learning environment?

It's just not fair! Right?!

Agreed, so.....

We at Epworth invite you to have some

**Andy Offutt Irwin, Lifelong Camp Counselor and Our Leader!**

Some people have inner- kids. Andy has an outer- kid. With a manic Silly Putty voice, astonishing mouth noises and hilarious stories, he is equal parts mischievous school boy and the Marx Brothers, peppered with a touch of the Southern balladeer. People are drawn to him like magnets to a refrigerator. And inside, it's all Mountain Dew and Jolt Cola. Andy is a storyteller, humorist, singer, songwriter, musician, whistler, walking menagerie of sound effects and dialects and so much more; some of his talents are hard to categorize. Honors include the 2013 National Storytelling Network's Circle of Excellence Award. Appearances include the International Storytelling Center and Guest Artist at the FAME School, Disney World, the "Southern Comedy Tour", Oxford College and, of course, his one man show.
